

WELCOME

Hours: 6 a.m. to Sunset

The Legacy Trail is a non-motorized multi-use trail, just under 20 miles in length, and extends from Venice to downtown Sarasota. Formerly a railroad corridor, the trail passes through a variety of unique habitats and includes a series of interpretive signs and stop stations. Multiple trailheads provide access and other amenities.

The Legacy Trail has several connecting trails including the Venetian Waterway Park, and the North Port Connector via surface road pedestrian facilities such as bikes lanes.

GET INVOLVED – VOLUNTEER!
